

NEW SURFACE COATING UPGRADE FROM SHAVIV! ANODIZED Handles for the UNIBURR Series of Slim-Grip Deburring Tools

As of March 2022, the **UNIBURR** Series tool handles are manufactured with anodized aluminum instead of the previous painted aluminum handles.

These are the tools with the upgraded anodized handle:

- | **UB2 DisposaBurr** with disposable B10 blade | **UB2000** with replaceable B10 blade
- | **UB1 DispoaBurr** with disposable E100 blade | **MB2000** with replaceable E100 blade

IMPORTANT »

- The ordering codes will remain the same
- Price per item is not affected by this upgrade
- Items will be shipped on FIFO basis
- **There is a slight color difference in the yellow and green handles.**
